

### REMARKS

In the final Action the Examiner rejected the claims as containing new matter and as anticipated by Chrabaszcz and/or obvious over Chrabaszcz and Rollins. The Board of Patent Appeals and Interferences reversed the rejections and entered a new ground of rejection under 35 USC 112.

Claims 1-3, 6, 7 and 9-13 have been amended in view of the new ground of rejection. It is submitted that claims 1-13 satisfy the requirements of 35 USC 112.

New claims 14-22 have been added. These claims are submitted to meet the requirements of 35 USC 112.

It is submitted that the claims satisfy the requirements of the statutes. It is further submitted that the claims are not taught, disclosed or suggested by the prior art. The claims are therefore in a condition suitable for allowance. An early Notice of Allowance is requested.

If any further fees, other than and except for the issue fee, are necessary with respect to this paper, the U.S.P.T.O. is requested to obtain the same from deposit account number 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
